

The NKC's mission is to improve the health of newborns with or at risk for kidney disease through multidisciplinary collaborative research, advocacy, and education.

## March 2023

NKC Members,

As promised, we are sharing the 2023 goals and strategies for our collaborative as mapped out by the Board at the annual meeting in January. Attached is a PPT outlaying what is below.

## 2023 Goals and Strategies

## NKC Members – Share Your PAS Presentations!

Will you be presenting at PAS on neonatal kidney disease? We'd love to hear about it and share it with the NKC! Please let us know details by **March 31<sup>st</sup>** by [filling out this form](#). We look forward to seeing you in DC!

**NKC Member Dinner at PAS!**

You're Invited  
to the Ninth Annual

**[nkc@uabmc.edu](mailto:nkc@uabmc.edu)**

Sponsored by:

Children's  
of Alabama

**UAB MEDICINE**  
PEDIATRIC NEPHROLOGY

## PAS 2023 Postgraduate Course on Neonatal AKI

# PAS 2023

PEDIATRIC ACADEMIC  
SOCIETIES MEETING

APRIL 27 - MAY 1, 2023  
WASHINGTON, D.C.

## POSTGRADUATE COURSE

**NEONATAL ACUTE KIDNEY INJURY (AKI): FROM BASIC AND CLINICAL SCIENCE TO CARING FOR BABY (AND THEIR BEANS) IN THE CRIB**

The course will cover basic, translational, and clinical science from fetal physiology to post-discharge follow-up for neonatal AKI. The speakers will aim to help foster ideas for future research, quality improvement projects, and improved care.

Chairs: Drs. Alison Kent, Meredith Schuh, Jeff Segar, and Keia Sanderson

Speakers: Drs. Danielle Soranno, Matthew Harer, Jennifer Charlton, Prasad Devarajan, Jennifer Jetton, Michelle Starr, David Selewski, David Askenazi, Cara Slagle, and Shina Menon

**FRIDAY, APRIL 28, 2023 | 7:00 AM – 1:30 PM | \$175**

Visit [pas-meeting.org/2023-pre-conference-programs/](https://pas-meeting.org/2023-pre-conference-programs/) for more information.

**LEARN  
MORE**

Consider coming to Washington a day early and joining the course on neonatal kidney disease entitled “Neonatal Acute Kidney Injury: From basic and clinical science to carrying for babies (and their beans) in the crib.” This session, held Friday, April 28<sup>th</sup> from 7:00 AM – 1:30 PM, will include sessions on basic, translational, and clinical science. Pre-registration is required and can be found on the PAS website or directly at <https://www.pas-meeting.org/2023-pre-conference-programs/>.

Any questions can be directed to Dave Selewski ([selewski@musc.edu](mailto:selewski@musc.edu)).

Please continue to utilize our new website, [www.babykidney.org](http://www.babykidney.org) to see member spotlights, articles of the month, important announcements, opportunities to participate in neonatal nephrology projects, an archive of AWAKEN publications, and much more!
