

Neonatal Kidney Collaborative (NKC) • nkc@peds.uab.edu

The NKC's mission is to improve the health of newborns with or at risk for kidney disease through multidisciplinary collaborative research, advocacy, and education.

April 2023

NKC Members,

We hope your month is off to a pleasant start. During this season of Ramadan, Passover, Lent, and Easter, we are reflecting on how grateful we are for each of you and the community that has been created here. Each of you play a valuable role to the mission of this collaborative and we are excited to see how those roles evolve and grow in the coming year.

NKC Member Dinner at PAS!

We have a busy month ahead and look forward to seeing you at PAS! If you haven't already, please remember to **RSVP to the NKC Dinner at Busboys and Poets for Friday night, April 28th**. We have extended the *RSVP date to Monday, April 10th*.

NKC Members – Share Your PAS Presentations!

Will you be presenting at PAS on neonatal kidney disease? We'd love to hear about it and share it with the NKC! We are continuing to collect presentations by [filling out this form](#). We look forward to seeing you in DC!

PAS 2023 Postgraduate Course on Neonatal AKI

PAS 2023
PEDIATRIC ACADEMIC SOCIETIES MEETING
APRIL 27 - MAY 1, 2023
WASHINGTON, D.C.

POSTGRADUATE COURSE

NEONATAL ACUTE KIDNEY INJURY (AKI): FROM BASIC AND CLINICAL SCIENCE TO CARING FOR BABY (AND THEIR BEANS) IN THE CRIB

The course will cover basic, translational, and clinical science from fetal physiology to post-discharge follow-up for neonatal AKI. The speakers will aim to help foster ideas for future research, quality improvement projects, and improved care.

Chairs: Drs. Alison Kent, Meredith Schuh, Jeff Segar, and Keia Sanderson

Speakers: Drs. Danielle Soranno, Matthew Harer, Jennifer Charlton, Prasad Devarajan, Jennifer Jetton, Michelle Starr, David Selewski, David Askenazi, Cara Slagle, and Shina Menon

FRIDAY, APRIL 28, 2023 | 7:00 AM – 1:30 PM | \$175 [LEARN MORE](#)

Visit [pas-meeting.org/2023-pre-conference-programs/](https://www.pas-meeting.org/2023-pre-conference-programs/) for more information.

Consider coming to Washington a day early and joining the course on neonatal kidney disease entitled “Neonatal Acute Kidney Injury: From basic and clinical science to carrying for babies (and their beans) in the crib.” This session, held Friday, April 28th from 7:00 AM – 1:30 PM, will include sessions on basic, translational, and clinical science. Pre-registration is required and can be found on the PAS website or directly at <https://www.pas-meeting.org/2023-pre-conference-programs/>.

Any questions can be directed to Dave Selewski (selewski@musc.edu).

Six-2 Crew Applications NOW OPEN!

We are now accepting applications for our SECOND class of Six-2 Crew! This is a two year internship for trainees with an interest in neonatal nephrology. The Six-2 Crew will provide longitudinal mentorship and exposure to the research, advocacy, and educational work of the NKC. If you or someone you know is interested, fill out the form [here](#)!

Please continue to utilize our website, www.babykidney.org to see member spotlights, articles of the month, important announcements, opportunities to participate in neonatal nephrology projects, an archive of AWAKEN publications, and much more!
