

The NKC's mission is to improve the health of newborns with or at risk for kidney disease through multidisciplinary collaborative research, advocacy, and education.

May 2023

NKC Members,

It was so great seeing some of you at PAS last month! We hope you walked away with new knowledge and invigoration to continue pushing the field of neonatal nephrology forward! We had a great turnout for the ninth annual NKC Dinner and made some big announcements! If you were unable to attend **we will be hosting a short 30-minute webinar on May 16<sup>th</sup> at 2:00EST/3:00CST**. You can [register for the webinar here](#).

## Openings within the NKC!

We are now holding nominations for **two open seats on our board**. Please visit the website or [click here](#) to fill out a nomination form for you or someone you know that would serve well in this position!

We also have co-chair openings on both our Education and Advocacy Committees! If you have been looking for a way to be more involved then look no further! These committees have a lot to offer! Reach out to us via email with any questions or interest in these opportunities.

## Six-2 Crew Applications NOW OPEN!

We are now accepting applications for our SECOND class of Six-2 Crew! This is a two year internship for trainees with an interest in neonatal nephrology. The Six-2 Crew will provide longitudinal

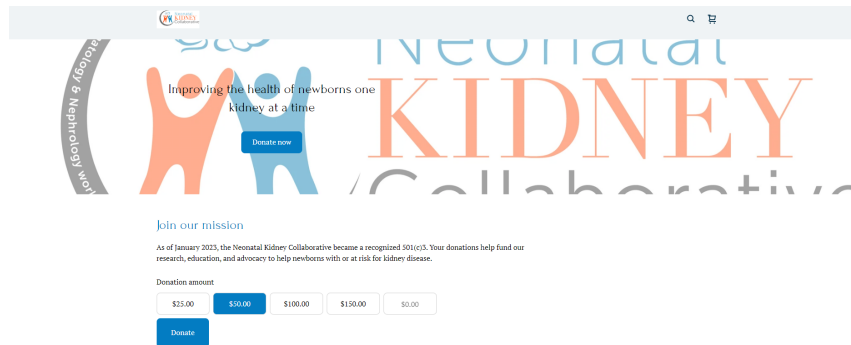

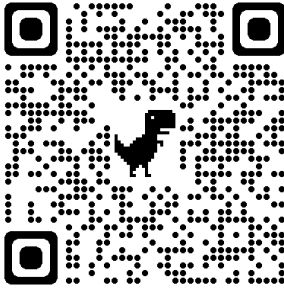

mentorship and exposure to the research, advocacy, and educational work of the NKC. If you or someone you know is interested, fill out the form [here](#)!

## NKC Members Survey

Recently, our Secretary/Treasurer – Dave Selewski, sent out a survey to each of you. We are asking that you take a few minutes to fill this out so we can better understand what brings value to you as a member of this collaborative. **Please complete this survey by May 26<sup>th</sup> – <https://redcap.link/NKC>**

## Now Accepting Donations!

The NKC officially became a 501(c)3 in January of this year! We are now able to take donations to further enhance the mission of this collaborative in research, advocacy, and education! All donations are tax deductible. Share this with people you know and feel free to donate today!

Please continue to utilize our website, [www.babykidney.org](http://www.babykidney.org) to see member spotlights, articles of the month, important announcements, opportunities to participate in neonatal nephrology projects, an archive of AWAKEN publications, and much more!
